Title IV-E Incentive Program Assurances

1. The authorized representative of the county indicated below assures that the county spent at least 50% of the Title IV-E Incentive Funds allocated for CY 2000 for services to children who are at risk of abuse and neglect to prevent the need for child abuse and neglect intervention services. The expenditure requirement is specified under s. 46.45(2)(a), Stats. If the county had unspent funds in CY 2000, the portion of the unspent funds subject to the 50% requirement in CY 2000 remains subject to the 50% requirement for CY 2001 as computed below.
2. The authorized representative of the county indicated below assures that the county did not use any Title IV-E Incentive Funds to supplant other federal, state or local funds dedicated to any of the activities funded under the Title IV-E Incentive funds program. The maintenance of effort requirement is specified under s. 46.45(2)(b), Stats.

If the unspent amount for CY 2000 exceeds 5% of the CY 2000 allocation, provide a rationale for not spending all of the allocated funds in CY 2000. Also specify if any of the CY 2000 funds were intentionally carried forward, and if so, describe the purpose or reason for doing so.

Explanation:

If the actual unspent amount for CY 2000 differs from the estimated amount for the IV-E Incentive Funds plan for CY 2001 submitted by the agency by more than \$1,000 and 10% of the estimated amount, the agency should submit a CY 2001 plan update. If the difference is less than \$1,000 or 10% of the estimate, no plan update is necessary.
